CANNA NANO

Natural Power Enhancement

About CANNANANOWATER

Developed with a team of scientists, pro athletes, and veterans, Canna Nano utilizes state-of-the-art science to deliver advanced nutrients and hydration in the most nutritious way, completely natural and environmentally friendly. Advanced quantum physics and nanotechnology combine to successfully increase the surface area of the enhanced ingredients in our water, in a way that effectively increases the benefit with less product.

Together, we at Canna Nano are dedicated to delivering the highest quality products to all of our customers, and for future generations. Our water is cloud filtered, ocean sourced in a biodegradable bottle. With our products and combined high standards, we're preserving the planet with renewable resources and sustainable practices.

WHAT'S IN YOUR

CANNA NANO WATER?

Cannabidiol (CBD) is a natural cannabinoid found in hemp. Completely pure and supplied exclusively by an award winning organically grown Swiss company. Free of THC (non-psychoactive), CBD has been found to offer numerous health benefits. For more information, go to www.cannanano.com

d-Ribose is a carbohydrate used in cells (Kreb Cycle) to make ATP, an energy unit which fuels our bodies and cells, providing our muscles and heart the energy needed to fully recharge.

Methylcobalamin (MethylB12) is the plant source active form of Vitamin B12 - Supporting your metabolism and required by the body to maintain healthy red blood cells and nerve cells.

Coenzyme Q10 (CoQ10) is naturally found in your body acting as an Anti-Oxidant which protects cells from damage and is an important part in energy production and metabolism.

pH9+ Alkaline Water increases OH⁻ ions in H₂O to provide an alkaline rich environment - helping nourish acidic, cancerous tissues in the body and return them to a healthy, alkaline state.

Alkaline Water provides a greater nutrition delivery system

Superior Immune System Support

Supplies Anti-Oxidants at a cellular level

Get a Mineral and Vitamin boost directly into your cells

Delivers Cellular Hydration and Energy

CANNA NANO EASE CREAM

Dr. Approved and Recommended

FAST WORKING!

Ease Cream has made a difference with my patients overcoming chronic pain and discomfort naturally improving their quality of life."

EASE CREAM

2 oz | .59 mL
Cooling Pain Cream

Advanced by Cebidiol™

Innovation in delivery via transdermal

Temporarily relieves joint and muscle pain associated with neck pain, back pain, muscle strain, arthritis, sprains and bruises.

Description

Get a continually cooling, instant soothing pain relief with CannaNano Ease Cream. Combining time-released Cebidiol™, micro-encapsulated, with stimulating menthol and 8 homeopathic ingredients. Adding rosemary and lavender essential oil combine for maximum natural relief of aches and pains. Our gel cream is perfect for applying after extreme activity, and has been proven as an effective and fast working as an FDA approved OTC topical pain relief solution.

Directions:

Adults and children 12 years of age and older: apply to affected area not more than 3 to 4 times daily. Children under the age of 12, please consult your physician.

Cebidiol™

Cebidiol™ revolutionizes skin delivery technology and permits it's active ingredients to be more efficacious and less irritating, delivering customers with maximum ingredient performance. We micro-encapsulate CBD into layers. These microscopic spheres release one layer at a time, ensuring time-released bursts of Cannabidiol (CBD) all day long.

Dr's Choice

Dr. David Tonkin, M.D., one of America's top pain management specialists, with board-certifications in pain management and anesthesiology. Having completed a fellowship in Interventional Pain Management, Dr. Tonkin has gone on to become an award winning author and renowned pain therapy expert.
