

CANNA NANO

NATURAL POWER ENHANCEMENT

Developed with a team of scientists, pro athletes, and veterans, Canna Nano utilizes state-of-the-art science to deliver advanced nutrients and hydration in the most nutritious way, completely natural and environmentally friendly. Advanced quantum physics and nanotechnology combine to successfully increase the surface area of the enhanced ingredients in our water, in a way that effectively increases the benefit with less product.

Together, we at Canna Nano are dedicated to delivering the highest quality products to all of our customers, and for future generations. Our water is cloud filtered, ocean sourced in a biodegradable bottle. With our products and combined high standards, we're preserving the planet with renewable resources and sustainable practices.

B12
METHYLCOBALAMIN (Methyl B12) is the plant source active form of Vitamin B12—supporting your metabolism and required by the body to maintain healthy red blood cells and nerve cells.

COENZYME Q10 (CoQ10) is naturally found in your body acting as an antioxidant which protects cells from damage and is an important part in energy production and metabolism.

pH9
PH9 ALKALINE WATER increases OH- ions in H2O to provide an alkaline rich environment—helping nourish acidic, helping nourish tissues in the body and return them to a healthy, alkaline state.*

SACRED SOUND charged water. The power of infused sacred sound, to heal, revitalize and integrate our bodies, minds, and soul.

REIKI ENERGY is a dynamic technique that activates the body's natural healing abilities. Our water is blessed with the pure intent of Love, Light, and Peace.

INDUSTRY FIRST TO INCORPORATE

Through advanced nanotechnology "CannaNanoCBD™" uses nano-sized nutrients.

Nano-materials are tiny particles measured in nanometers, or billionths of a meter. Due to their incredibly small size, nano-particles ingested in food and water are fundamentally different and can move throughout the body in advanced ways.* Nano-materials are already being added to foods & supplements.

Increased bioavailability when compared to traditional CBD oils.*

NANO TECHNOLOGY INCORPORATING 3,000,000 NANO GRAMS OF CBD
